

## ***TERMS AND CONDITIONS***

The following information defines the S4 Group's Try Then Buy program.

### **Program Eligibility:**

- Customers are eligible to use the "Try Then Buy" program once before their first purchase of an S4 Open appliance
- The customer must identify a targeted project and review project details with S4 before being accepted into the program

### **The Program Provides:**

- One S4 Open appliance, licensed for 256 N2 devices (BACnet or OPC N2 Router as appropriate). If needed, we can set it up so that with a quick software reload you can swap between the two.
- One Upstream Cable
- One Downstream Adapter
- One Power Supply

### **Costs and Terms:**

- Full payment is billed net 60 for the system.
- A deposit of \$800.00 is due as soon as an order is placed for the demo system. The system cannot be shipped before this deposit is paid.
- If the system is returned within 30 days, with original packaging, no damage, etc. there will be no charge and the deposit will be refunded.
- Standard shipping charges for the system, both shipping and receiving, are billed to the customer.
- After the 30 trial, if the system is accepted, the deposit will be credited to the cost of the system and payment will be due 30 days after acceptance.
